KEY FEATURES

PRELOADED APPS

Netflix, Pandora, Youtube, Vudu, Facebook, CinemaNow, Accuweather, Rhapsody, Flingo, Flickr, Twitter, Hulu Plus, and over 100 more on the Opera Apps Store.

INTERNET STREAMING

Stream music and watch movies, TV and more. With Smart Apps, entertainment is only a click away.

BD WISE™

Watch online videos in near-high definition quality on your TV with Samsung BD Wise Web. It automatically optimizes web videos by sharpening both imagery and text. BD Wise Web also resizes the video ratio so edges are never cut off.

QUICK START MODE (0.5 SEC)

Your Smart Blu-ray Player is ready when you are in as little as 0.5 seconds. Most other Blu-ray players take up to 10 seconds. Stop waiting and start watching.

AUDIO

DOLBY® DIGITAL

An industry-standard surround sound audio coded designed to deliver 5.1 channels of audio to deliver a cinematic audio experience.

DOLBY® DIGITAL PLUS

An advanced surround sound audio codec designed to deliver up to 7.1 discret channels of clear, high-fidelity surround sound. You'll get the renowned Dolby cinema experience from all your entertainment.

DOLBY® TRUEHD

Delivers 100 percent lossless sound for movies and music that is bit-for-bit identical to the studio master, designed for your high-definition home theater.

CONNECTIONS

ANYNET+™

Redefine the universal remote with Anynet+ from Samsung. Control up to twelve compatible devices and streamline your device management for a better user experience.

HDMI®

Connect your TV and audio systems for higher quality audio and a better entertainment experience when watching your favorite movies, shows and sports. The HDMI connection transmits video and audio over a single cable

WARRANTY

1-year parts and 1-year labor warranty (90-days parts and labor for commercial use) with in-home service, backed by Samsung toll-free support.
