

SOUNDTOUCH30 SERIES II

The SoundTouch™ 30 Series II Wi-Fi music system is our best one-piece wireless music system—with the power to fill even the largest room in your home with rich, clear sound. It connects directly to the Internet over home Wi-Fi for wireless access to 20,000 Internet radio stations from around the world, your music library, and music services like Deezer, Pandora®, Spotify® and iHeartRadio™. You can even customize six presets so your favorites are all at your fingertips.
