SONY

XBR-49X830C

49" class (48.5" diag) 4K Ultra HD TV

Join the 4K revolution with a Sony TV powered by Android TV, boasting four times more clarity than HD[1]. Everything you watch—sports, TV shows, movies—is upscaled to super clear 4K quality[2]. Even 4K streaming is enhanced to maximize picture quality. Android TV adds Google Cast™, voice search and a huge collection of apps, games and content from Google Play™[3,4].

Bullets

- HD is upscaled to impressive 4K Ultra HD[1,2]
- Streaming 4K Ultra HD is enhanced for improved clarity[2,3]
- Android TV with Google Cast™, voice search & Play Store apps[3,4]
- Stream PS3™ games directly to your TV[5]
- Precise motion clarity with Motionflow™ XR 960
- Control your TV with your smartphone or tablet[4]
- Android™ gaming on the big screen[3]
- Just say what you want using voice search[3,4]
- Personal recommendations from Google Play™[3]

Features

Leading 4K picture quality

Sony launched a wider range of color in 2013, expanded brightness range in LED TVs in 2014, and has been upscaling to 4K for over 10 years. As other manufacturers start implementing these capabilities, Sony takes another step forward improving clarity of HD and 4K video in the X830C. See the difference experience makes.

Upscale everything you watch to 4K Ultra HD

Whatever you're watching, watch it in 4K. All of your existing HD sports, TV shows and movies are upscaled to super clear 4K quality[2]. Our most advanced 4K X-Reality™ PRO upscaling is developed from Sony's 10+ years of experience upscaling to 4K, exceeding all other TV brands.

Sony Android TV

The things you love doing on your tablet or smartphone can now be enjoyed on your TV. Log in to your Google ID to access a huge collection of apps, games and content from Google Play[1,2].
Use your smartphone or tablet to cast your favorite entertainment apps using Google Cast, or search using the voice enabled search available for Android TV.

4K streaming at its best

For those who desire the best 4K streaming experience, Sony 4K TVs are specifically engineered to recognize and improve 4K streaming video[2].
4K Streaming services like Netflix® and Amazon Instant Video offer expansive libraries of movies and original TV series in 4K Ultra HD with ultimate convenience[3].

More apps

The things you love doing on your tablet or smartphone can now be enjoyed on your TV. Log into your Google account once to access a huge collection of apps, games and content from Google Play™[3,4].

Just say what you want

SONY

Say "action movies" or "today's weather" and let Android™ TV do the work. Voice search helps you quickly find what you want. Simply speak into the optional One-Flick remote or your compatible mobile phone[4].

Google Cast™ ready

Google Cast™ is like having Chromecast built into the TV. Cast your favorite entertainment apps, including HBO GO, Showtime Anywhere, MLB.tv and more, from your Android or iOS device, Mac or Windows computer, or Chromebook to the TV[4].

Your personalized TV

Personalized content recommendations from Google Play™, YouTube and supported apps appear automatically in your home screen[3].

Stream PS3™ games directly to your TV[5]

Bring the immersive world of PlayStation® directly to your TV with PlayStation™ Now. Play select PlayStation® 3 games like you stream TV shows and movies – streamed directly to your TV. Connect a DUALSHOCK® 4 controller to your TV and choose from a variety of game rental periods[5].

So much to see in 4K

Hundreds of movies and TV shows are available from the top 4K service providers, including Netflix, Amazon Instant Video, YouTube, DirecTV video on demand and more[3].

Control your TV with your smartphone or tablet

Choose the Android TV remote application or Sony's TV SideView™ application. Either way, you'll have control with voice search, a keyboard and quick access buttons to the most popular apps[4].

Clear movement

TV that keeps up with real life. Sony's refresh rate technology (Motionflow™ XR 960) allows fast moving action sequences in sports and movies to be seen with lifelike clarity.

1. 3,840 x 2,160 pixels.

2. Upscaled, simulated and enhanced 4K images will vary based on source content.

3. Broadband speed of at least 2.5 Mbps recommended for SD services, 10 Mbps for HD streaming or 4K downloads, 20 Mbps for 4K Ultra HD streaming. Wireless connectivity requires 802.11 home network (802.11n recommended). Network services, content, and the operating system and software of this Product may be subject to individual terms and conditions and changed, interrupted or discontinued at any time and may require fees, registration and credit card information.

4. Requires compatible devices connected to the same network. Google Cast requires mobile devices with Android 2.3 or higher, or iOS 6.0 or higher and Chromecast application. Google Play using Android TV Remote Control application requires Android 4.0 or higher; not available for iOS. Voice Search is available using the included remote control, Android TV Remote Control application with Android 4.0 or higher, or using Sony's TV SideView application available for Android 4.0.3 or higher or iOS 7.0 or higher.

5. PlayStation™ Now service requires DUALSHOCK®4 controller, sold separately, and 5Mbps Internet connection (5-12 Mbps recommended for the best quality experience). Additional purchases and registration required; service not available in all areas. See us.playstation.com/PlayStationNow for details.

* Use of this TV requires consent to Google Terms of Use and Privacy Policy.
