## Virtually Invisible 300 Speakers

### Wireless Speakers

#### Surround sound. Elegantly. Wirelessly.

When it comes to rear surround speakers, the only thing you want to stand out is the sound. Standing less than four inches tall, Virtually Invisible 300 wireless surround speakers fit right in. Designed exclusively to pair with the SoundTouch 300 soundbar, these unobtrusive rear surround speakers provide sweeping sound that adds to your movies, sports and TV shows.
