

## SoundTouch 300 Sound Bar

The SoundTouch 300 soundbar offers the best performance, spaciousness and bass of any one-piece soundbar its size. Every cubic inch of it is packed with technologies that bring out the best in everything you listen to or watch. Custom drivers, proprietary QuietPort and PhaseGuide technology ... and the feeling of hearing sounds where there are no speakers. It all adds up to a premium audio experience for all your entertainment.
