BOSE WIRELESS LINK ADAPTER

#767397-1110

Transform your stereo or home theater system by adding the SoundTouch Wireless Link adapter and stream music from your home Wi-Fi[®] or *Bluetooth*[®] devices. Use the SoundTouch app to control your music easily. You can even play music all throughout your home by expanding with other SoundTouch speakers. Make your speakers smarter: turn them wireless and stream the music you want. It's that simple.

- Connect to your Wi-Fi network for wireless music listening
- Connect wirelessly to other SoundTouch[®] system components for a multi-room audio system
- Built-in Bluetooth lets you stream directly from compatible devices
