HT-CT290/B

Ultra-slim 300W Sound Bar with Bluetooth

Bring movies and music to life with this ultra-slim Bluetooth^{®1} sound bar, plus wireless subwoofer that delivers cinematic sound and powerful bass in any room. Stream music easily from your smartphone and even control your sound bar and TV with a single remote². All in a stylish, space-saving design that's a perfect fit for any TV.

Bullets

- 300W power³, plus 2.1ch S-Force PRO Front Surround sound
- Connect and stream music easily with Bluetooth^{®1,2}
- Save space with the ultra-slim, wall-mountable design
- Hear clearer voices with Voice Mode and clearer sound at low volumes with Night Mode
- Control your TV and sound bar with a single remote via HDMI ARC⁴
- Music playback via USB⁵

Features

Surround yourself with sound

Bring every song, show and movie to life. With 300 watts³ of power and 2.1ch S-Force Surround Sound, you'll feel like you're at the heart of everything with a clear, mid and high range, while the wireless subwoofer fills in the rumbling lows.

Connect and stream music easily with Bluetooth

Connect and stream music^{1,2} easily from your smartphone, tablet, or laptop with Bluetooth[®]

Space-saving, wall-mountable design

The sleek profile discreetly mounts to walls to save on space. It also lies flat in front of the TV without blocking the screen or interfering with IR receivers.

Voice and Night Modes

Enjoy clearer voices in your favorite movies and TV shows with Voice Mode and clearer sound at low volumes with Night Mode.

Control your TV and sound bar with a single remote²

With HDMI ARC (Audio Return Channel) audio is transferred to your sound bar from compatible TV's via one HDMI cable. Now you can control the sound bar's volume with your TV remote.²

Music playback via USB

Connect a USB device to the USB port to enjoy audio playback.⁵
